August 2018

Millstone Middle School families and friends,

I hope that your summer has been an enjoyable one! August has certainly flown by as it always does. The weather has begun to be mixed with hot days and cooler nights and most families are home from fabulous family excursions. The Bogusz family is getting ready to send two girls to HS this year- one is a freshman and the other, a senior! The clock is going much too fast for us in our home!

Mrs. Norton and I are excited to be returning as your administrative team this Fall. We are proud to work with the community and look forward to another great year. The Middle School is a place where our community all works together towards the common goal of assisting our students to become independent self-directed learners. We are #proud2BMillstone and can't wait for our students to walk through the doors on the first day and fill our building with enthusiasm and positivity.

School opens for our students this year on September 6th. Thank you to our maintenance, custodial and office staff for preparing our building and making our learning spaces bright and inviting. We have met as an administrative team to review several curriculums, ensuring our students are being exposed to challenging content and supportive social-emotional experiences. Personalized learning through academics and student interests is an initiative that we are continuing to explore at the Middle School. Be sure to take a look at our STEAM lab this year when you are here- it's becoming an even more exciting place for our students to create and work with their peers.

We look forward to meeting you and sharing information with you at our Back to School Night on Wednesday, September 12th. Information about our parent-student handbook, programs and current events can also be found online at < ms.millstone.k12.nj.us > or follow us on Twitter @MillstoneMiddle. We encourage you to check it out; we Tweet updates often. Our district also posts on Facebook at Millstone Township School District. Feel free to call our main office with any questions that you may have.

With just a few weeks left until the start of school, be sure to enjoy your time together. We look forward to a year in which classes are engaging, kindness counts and every student matters. Rest up- it's going to be awesome!

Trish Bogusz
Principal
